

## Senior English College Bound Summer Reading Assignment

All in-coming seniors are required to read two novels sometime throughout the summer months before returning to school in September. You are to select two from the nine novels identified below and read them before the first day of school of your senior year. You may borrow these books from our library, the public library, or if you prefer purchase your own copies from a book store. As you will be assigned two essays to complete on the novels that you have selected, it is strongly advised that you take notes on your readings so that the information remains fresh and can be easily referenced.

We have attempted to provide you with selections that are interesting, and that will challenge you in some way. We hope that you enjoy your choices and we look forward to meeting you in September.

Should you have any questions over the summer you may contact Mrs. Rife at: [rifej@lcmrschools.com](mailto:rifej@lcmrschools.com)
