

USI Honors
Summer Assignment
2009

To prepare for the school year you are to read two different accounts of Columbus, write a one-page paper on the point of view for each of these articles, and then write a 5 paragraph essay answering a given question. These writings will be due on or before the first day of school – they are not an option, you must complete this assignment for the class.

All of the reading and instructions can be obtained in the guidance office, the library, or by contacting me.

If you have any questions or concerns, please contact me at eakins@lcmrschools.com.

Thank you,
